The Honorable Michael R. Bloomberg
Office of the Mayor
City Hall
New York, NY 10007

Dear Mayor Bloomberg:

Time Magazine may think there are five "best" mayors, but we know that through your creative leadership, you have shown you are the "best of the best." You and your NYC2012 Olympic team certainly showed that creativity in Berlin. It would be great for the City to host the Olympic Games. I hope the IOC will see it your way.

I also want to share with you a brief observation about your principled position on the anti-Semitic statements of Lenora Fulani. The ADL firmly believes that everyone, politicians, civic leaders, the general public, must resist giving in to political expediency whenever anyone in our City engages in divisive hateful rhetoric. Lenora Fulani's anti-Semitic statements are no exception and we sincerely hope many others will join your call to the members of the Independence Party to stand up and say no to hate, to say no to anti-Semitism.

Best regards,

Sincerely,

Abraham H. Foxman
National Director
