Dear Senator Moynihan:

It was delightful to hear you speak on Saturday at the Alumni luncheon. Listening to you this afternoon was not so pleasant or inspiring. I was particularly offended and chagrined by your remarks about Mayor Koch's willingness to associate himself with "the neonazi, Jew bater Lyndon Larouche... not for \$50,000 but for \$100,000. yes". Although I understand gutter politics, I certainly did not expect you to bring them into the academic setting. Your behavior was unforgivable.

Respectfully yours,

Elena Padilla
